Old Coolattin Country Company Limited by Guarantee

DIRECTORS' REPORT

for the financial year ended 31 December 2020

The directors present their report and the audited financial statements for the financial year ended 31 December 2020.

Principal Activity and Review of the Business

Old Coolattin Country CLG is a voluntary community group which was established as a rural development group to tackle the problems of social exclusion and marginalisation in Carnew, a small rural town, and surrounding area. This is attempted by providing a wide variety of training opportunities, small business support, reception and secretarial services, all of which are open to the entire community.

The results for the year show an increase in income and expenditure with a resulting rise in net profit for the year. Looking at income, it can be seen that there was a rise in income due to Covid 19 grant income received (€15,562 which accounts for 6% approx of income) and while income from secretarial services shows a 17% approx reduction, income from training courses rose by 7.8% approx.

The Company is limited by guarantee not having a share capital.

There has been no significant change in these activities during the financial year ended 31 December 2020.

Principal Risks and Uncertainties

The risks and uncertainties which are currently judged to have the largest impact on the Company's activities are set out below:

a) The World Health Organisation declared COVID-19 a pandemic on March 11, 2020, causing a huge impact on people's lives, families, communities and businesses across the world. In line with the Irish Government's objective of mitigating the spread of COVID-19, the Irish government introduced restrictions on citizens and businesses. These restrictions include the temporary closure of many businesses and requesting all citizens to stay at home except in a limited number of permitted circumstances. At the date of these accounts, Level 5 restrictions are being eased and the company is operating in line with government guidance. These developments create unprecedented risks and uncertainties within the Irish economy and for our business. The directors will use all possible business tools and strategies to manage these risks in the months ahead

b) the Company faces strong competition in relation to the public funding received which is also reducing in terms of availability and increasing in terms of stringent requirements to receive said funds;

Financial Results

The surplus/(deficit) for the financial year after providing for depreciation amounted to €782 (2019 - €(7,606)).

At the end of the financial year, the company has assets of €120,015 (2019 - €74,037) and liabilities of €79,875 (2019 - €34,679). The net assets of the company have increased by €782.

Directors and Secretary

The directors who served throughout the financial year, except as noted, were as follows:

Mick Kelly (Resigned 30 June 2020)

James L. Duffy

Joseph Dowse

Robert Cogely

Kevin McEvoy

Lorna Doran

Victor Young

Eamon Doran

Richard Kimmins

Kevin Lee

Joan Connaughton

The secretary who served throughout the financial year was James L. Duffy.

There were no changes in shareholdings between 31 December 2020 and the date of signing the financial statements.

In accordance with the Articles of Association, the directors retire by rotation and, being eligible, offer themselves for re-election.

Old Coolattin Country Company Limited by Guarantee

DIRECTORS' REPORT

for the financial year ended 31 December 2020

Future Developments

The directors are making plans and strategies to address the impact of the COVID-19 pandemic on the company's business. These directors will continue to take steps to minimise business costs, preserve cash and safeguard the future of the company's business with a view to the company being able to return to a normal operating pattern once the government restrictions imposed on our business as a result of the COVID-19 pandemic are lifted in full.

Post Balance Sheet Events

As outlined in note 20 to the financial statements and in the business review section of this report, the World Health Organisation declared COVID-19 a pandemic on March 11, 2020. This development will have significant implications for the business of the company in the future months. The directors are unable to quantify or determine what the extent of the implications of these matters are for the company as at the date of these accounts.

Old Coolattin Country CLG has previously availed of a locally applied waiver in respect of commercial rates due annually on the company's property due to the charitable status of the company. However, the company was billed for rates in 2019 which is currently being appealed. At the time of signing the accounts no decision on same has been made.

We also note that Land was donated to Old Coolattin Country CLG known as the Back Alley. The transfer of ownership of this land to Old Coolattin Country CLG is ongoing and at time of signing the accounts the land has not formally been transferred.

Political Contributions

The company did not make any disclosable political donations in the current financial year.

Auditors

The auditors, M&E Doyle Associates, (Chartered Accountant) have indicated their willingness to continue in office in accordance with the provisions of section 383(2) of the Companies Act 2014.

Research and Development

The company did not engage in research and development activities during the financial year

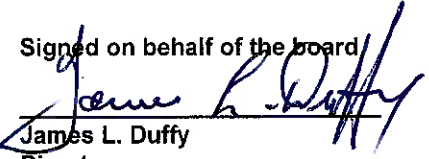

Statement on Relevant Audit Information

In accordance with section 330 of the Companies Act 2014, so far as each of the persons who are directors at the time this report is approved are aware, there is no relevant audit information of which the statutory auditors are unaware. The directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and they have established that the statutory auditors are aware of that information.

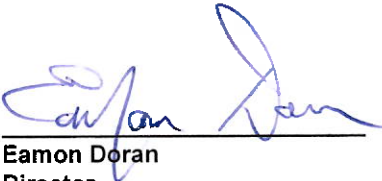

Accounting Records

To ensure that proper books and accounting records are kept in accordance with Section 281 to 285 of the Companies Act 2014, the directors have employed appropriately qualified accounting personnel and have maintained appropriate computerised accounting systems. The books of account are located at the company's office at Carnew Enterprise Centre, Woolgreen, Carnew, Co. Wicklow.

Old Coolattin Country Company Limited by Guarantee DIRECTORS' RESPONSIBILITIES STATEMENT

for the financial year ended 31 December 2020

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

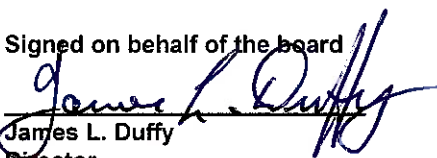

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be readily and properly audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware:

- there is no relevant audit information (information needed by the company's auditor in connection with preparing the auditor's report) of which the company's auditor is unaware, and
- the directors have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

INDEPENDENT AUDITOR'S REPORT

to the Members of Old Coolattin Country Company Limited by Guarantee

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Old Coolattin Country Company Limited by Guarantee ('the company') for the financial year ended 31 December 2020 which comprise the Income and Expenditure Account, the Balance Sheet, the Statement of Changes in Equity, the Cash Flow Statement and notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued in the United Kingdom by the Financial Reporting Council.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2020 and of its surplus for the financial year then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

In our opinion, based solely on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with the Companies Act 2014.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited. In our opinion the financial statements are in agreement with the accounting records.

INDEPENDENT AUDITOR'S REPORT

to the Members of Old Coolattin Country Company Limited by Guarantee

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the company. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

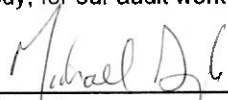

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is contained in the appendix to this report, located at page 9, which is to be read as an integral part of our report.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

APPENDIX TO THE INDEPENDENT AUDITOR'S REPORT

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

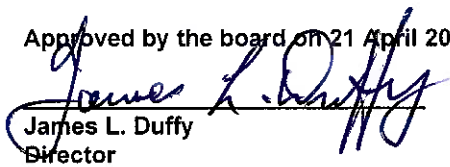

Old Coolattin Country Company Limited by Guarantee

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2020

1. GENERAL INFORMATION

Old Coolattin Country Company Limited by Guarantee is a company limited by guarantee incorporated in the Republic of Ireland. The registered office is Carnew Enterprise Centre, Woolgreen, Carnew, Co. Wicklow. The company was incorporated in 1991 and aims to change the disadvantages people living in the country areas may face without the benefit of town and city services. The company provides many services, including website services, hotdesking, secretarial facilities, training, meeting rooms, small business support services as well as running various courses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance

The financial statements of the company for the year ended 31 December 2020 have been prepared on the going concern basis and in accordance with generally accepted accounting principles in Ireland and Irish statute comprising the Companies Act 2014 and in accordance with the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland (FRS 102) issued by the Financial Reporting Council.

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention except for certain properties and financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council.

The company qualifies as a large company as defined by section 280H of the Companies Act 2014 in respect of the financial year.

Income

Revenue Recognition

Revenue is recognised to the extent that the company obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales taxes or duty.

The following criteria must also be met before revenue is recognised:

Rendering of Services

Revenue from providing secretarial services and training courses is recognised when the service is provided to the customer, the amount of the revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the entity and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Income is also representative of the funds received from various public bodies including POBAL.

Unrestricted Funding

Unrestricted income are those funds which are expendable at the discretion of the directors in furtherance of the objects of the charity and is credited to the Income and Expenditure Account in the year in which it is received by the company.

Restricted Funding

Restricted income can only be used for particular purposes specified by the donors and binding on the directors. Such purposes are within the overall aims of the company. If the income is used for capital expenditure, it is treated as deferred income and amortised to the Income and Expenditure Account annually over the useful economic life of the asset to which it relates. If the income is used for revenue expenditure, it is credited to the Income and Expenditure Account when received.

The company, in common with other similar charitable organisations, derives a proportion of its income from voluntary donations and fundraising activities. Income from fundraising, voluntary subscriptions and donations is necessarily recognised with effect from the time it is received into the company's bank accounts or entered into the company's accounting records.

Currency

The financial statements of the company are presented in euro (€), the currency of the primary economic environment in which the company operates (its functional currency).

Old Coolattin Country Company Limited by Guarantee

NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2020

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Long leasehold property	-	2% Straight line
Plant and machinery	-	12.50% Straight line
Fixtures, fittings and equipment	-	12.50% Straight line
Computers	-	33.33% Straight line

Impairment

At each reporting date, fixed assets are reviewed to determine whether there is any indication that those assets have suffered impairment in the recoverable amount. If there is an indication of possible impairment, the recoverable amount of the asset is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount and an impairment loss is recognised immediately in income and expenditure account.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in income and expenditure account.

Leasehold properties have been fully depreciated.

Stocks

Stocks are valued at the lower of cost and net realisable value. Cost comprises expenditure incurred in the normal course of business in bringing stocks to their present location and condition. Full provision is made for obsolete and slow moving items. Net realisable value comprises actual or estimated selling price (net of trade discounts) less all further costs to completion or to be incurred in marketing and selling.

Trade and other debtors

Trade and other debtors are measured at transaction price, less any impairment for bad and doubtful debts

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the Balance Sheet bank overdrafts are shown within Creditors.

Trade and other creditors

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Employee benefits

The company provides a range of benefits to employees, including paid holiday arrangements and defined contribution pension plans.

Short term benefits

Short term benefits, including holiday pay and other similar non-monetary benefits, are recognised as an expense in the period in which the service is received.

Taxation and deferred taxation

Current Taxation

As a registered charity, Old Coolattin Country Limited has been granted charitable exemption by the Revenue Commissioners under charity reference CHY11118.

Deferred Taxation

Deferred tax is recognised in respect of all timing differences, except that unrelieved tax losses and other deferred tax assets are recognised only to the extent that the directors consider that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Timing differences are differences between the company's taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax is measured on an un discounted basis at the tax rates that are expected to apply in the periods in which the timing differences reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Old Coolattin Country Company Limited by Guarantee

NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2020

Government grants

Capital grants received and receivable are treated as deferred income and amortised to the Income and Expenditure Account annually over the useful economic life of the asset to which it relates. Revenue grants are credited to the Income and Expenditure Account when received.

3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Preparation of the financial statements requires management to make significant judgements and estimates in arriving at the figures in the financial statements. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements are disclosed below:

Depreciation

The most significant estimate made in the accounts is the write down of assets and establishing the estimated expected lifetime of the assets.

4. DEPARTURE FROM COMPANIES ACT 2014 PRESENTATION

In preparing the financial statements the directors have departed from the prescribed format for financial statements as set out in the Companies Act 2014. In the opinion of the directors, the format of the financial statements as presented in these financial statements better describes the not for profit activities undertaken by the company. The principal departure from the prescribed formats as set down by the Companies Act 2014 is the replacement of the title " Profit and Loss Account" with the title "Income and Expenditure Account" and some consequential changes in the notes to the financial statements.

5. GOING CONCERN

The company's results show a surplus in the current period. Old Coolattin Country Limited is dependent on funding it receives from Government Agencies. 57% of the company's income was from POBAL and other grant agencies in the current year (2019: 46%). This is a rise on prior years which is due to COVID-19 grants and supports received which accounted for 18% of the company's income in 2020. As mentioned in the Directors Report, the World Health Organisation declared COVID-19 a pandemic on March 11, 2020 which resulted in the Irish government imposing restrictions on citizens and businesses to mitigate the spread of the virus. These restrictions include requesting all citizens to stay at home except in limited number of permitted circumstances and at the date of these accounts, Level 5 restrictions are being eased and the company is operating in line with government guidance. COVID-19 and economic impact of the virus on the Irish economy is unprecedented. The directors cannot forecast the level of future demand for the company's services and the availability of sufficient government support for the business now and in the future. The directors consider that the current unprecedented economic situation presents significant challenges for the business now and into the immediate future.

Nevertheless, after making enquiries, considering the uncertainties described above and making a judgement on the expected duration of the government restrictions on social distancing, the directors have a reasonable expectation that the company will continue to receive an adequate level of financial support from POBAL to allow the company to continue to service its clients in the near future. Excluding COVID-19 related grants, the company's income only reduced by 3.4% in 2020, the company is solvent with minimal liabilities owed, has money in the bank account and shows a healthy net asset position. Pobal have confirmed their commitment to the company until 31st December 2021 but no assurances can be provided in respect of periods after that date. The directors are committed to the company and its continued growth and are instituting measures to grow ancillary services and training schemes which will enable the company to continue in existence, if Pobal were to withdraw their funding, albeit not at fully capacity. For these reasons, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

17. STATUS

The liability of the members is limited.

Every member of the company undertakes to contribute to the assets of the company in the event of its being wound up while they are members or within one year thereafter for the payment of the debts and liabilities of the company contracted before they ceased to be members and the costs, charges and expenses of winding up and for the adjustment of the rights of the contributors among themselves such amount as may be required, not exceeding € 1.27.

18. CONTINGENT LIABILITIES

A contingent liability is held with Bank of Ireland for Visa Business Card dated 13/03/07 for €2,500.

19. DIRECTORS' REMUNERATION

The directors act in a voluntary capacity and are not paid a salary from the company

20. POST-BALANCE SHEET EVENTS

The World Health Organisation declared COVID-19 a pandemic on March 11, 2020, causing major disruption to businesses across the world. In line with the Irish Government's objective of mitigating the spread of COVID-19, the Irish government introduced restrictions on citizens and businesses. These restrictions include requesting all citizens to stay at home except in a limited number of circumstances. At the date of these accounts, Level 5 restrictions have eased and company is operating in line with government guidance.

Old Coolattin Country CLG has previously availed of a locally applied waiver in respect of commercial rates due annually on the company's property due to the charitable status of the company. However, the company was billed for rates in 2019 which is currently being appealed. At the time of signing the accounts no decision on same has been made.

We also wish to note that Land was donated to Old Coolattin Country CLG known as the Back Alley. The transfer of ownership of this land to Old Coolattin Country CLG is ongoing. The donation of land to the company has not yet been recognised as income in the financial statements of the company, as the transfer of the land to the company was not completed at the balance sheet date and at time of signing the accounts the land has not formally being transferred.
